The title of a recent by Wendell Berry asks the basic but penetrating question: 'What are people for?' By posing this fundamental query, Berry intends to probe the misdirection of farm policy in the United States since World War II. The operating assumption, that there are too many people working in agriculture, has shredded the fabric of rural life. This poses an equally basic and penetrating question regarding church life in the United States at the close of the twentieth century: 'What are congregations for?' It may be that we have grown so accustomed to the routine of congregational life that we have stopped asking this question. Relying on established patterns, we delude ourselves into believing we are providing clear theological vision and faithful leader. Thus we succumb to what Karl Hommen refers to as 'the peril of ordinary days.' Although there may be...
