Texas Christian University Press,U.S. Hardback. Book Condition: new. BRAND NEW, The Devil's Tiger, Robert Flynn, Dan Klepper, What if post-Soviet Union Russia sent biological warfare missiles to the United States, only this time the missiles were animals infected with a virulent form of rickettsia? That's the premise behind this suspense-filled novel from one of Texas' best-known authors. Hunter Jacob Trace is peacefully trapping mountain lions miles away in the Big Bend when violent turbulence rocks a DC-10 on a cross-Atlantic flight. Just as Trace is unaware of the strange turns his life is about to take, the crew is unaware that three rare Siberian tigers in the hold, being sent to U.S. zoos in Houston, San Diego, and Seattle as part of a breeding program, have been jolted out of their cages. When one tiger makes its way to the cabin, the excitement and terror begin. The plane, unable to land in Houston because of bad weather, crashes in Corpus Christi Bay, its pilots killed by the tiger, its passengers terrified. Although many passengers survive the crash, including Arina Yeroskin, the Russian woman veterinarian accompanying the animals, the tigers are presumed dead. But are they? First a tiger is sighted near Padre Island, then a man is killed on a river bottom near Aransas Pass. When a prize bull is slaughtered in Jim Wells County to the southeast, it's apparent the tiger is traveling far and fast--or is it a second tiger? Other incidents--a woman attacked in her home, a tiger invading a cantina--lead to widespread hysteria and a real concern about how many tigers are loose in South Texas and how many died in the plane crash. The North American Zoological Association hires Trace to stalk the tigers and capture them alive, but he's not the only one on...
