Poston, of Arizona, on Indian Affairs: Delivered in the House of Representatives, Thursday, March 2, 1865 I desire to say that in the very short time that the Territory of Arizona has had the honor of representation on this ?oor it has been impossible to mature and pass through the proper committees measures providing for the settlement and regulation of Indian affairs in that Territory. I am therefore obliged to rely upon the generosity of the House to adopt the amendment which is now presented. It is essentially necessary that the friendly Indians of Arizona should be colonized upon a reservation before the white settlers can enter upon an exploration of the rich mineral resources of that Territory without danger of collision, and as a great benefit to both Indians and whites the measure will commend itself to every sense of justice, policy, and economy. Mr. Windom. I simply desire to say that this proposition was before the Committee on Indian Affairs, and was carefully examined by them. Maps and reports on the subject, and a communication from the Secretary of the Interior and the committee were unanimously in favor of the proposi tion; but there not being time to get a bill through the House, the gentleman from Arizona was advised to take this course and test the sense of the House on the question.
