

How Frank Lloyd Wright Got Into My Head, Under My Skin and Changed the Way I Think about Thinking: A Creative Thinking Blueprint for the 21st Century

By Sandy Sims

Createspace, United States, 2010. Paperback. Book Condition: New. 226 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Do you feel overwhelmed by the pace of change, or powerless in the face of uncertainty? Do you wish you had a more useful point of view, or better strategies to cope? And even when you have obtained a dream or a goal, have you ever felt let down because it did not bring you the joy you thought it would? These are universal feelings, yet how we approach them is unique to each of us. Many years ago, author Sandy Sims found himself asking these same questions while directing a Honolulu advertising agency. Though considering himself to be quite average, he had cultivated two particularly useful traits - an abiding curiosity, and the desire to check things out for himself. A health crisis set off a cascade of events and a girlfriend-surgeon-turned-psychiatrist rewired his brain, sending him tumbling down the proverbial rabbit hole into new realms, where he became open to trying out new thinking patterns and recording the results. Over the next several years there was fire-walking, spoon-bending, and trips to Peru and Brazil where psychic...
