AUTHORHOUSE, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Two young girls are in hiding as their homes are burnt to the ground and their families dead. Soldiers from a harsh regime with their guns and bayonets tried to make sure no one was left to tell the tale. The girls stayed in hiding until they had gone away. One small baby was found barely alive. One girl carries it to a cave for shelter whilst the other girl goes back to look for food to feed the babe, she is caught. The soldier that catches her mistreats and binds her like the pigs in his Jeep and takes her to the army camp. He is ordered to take her away and kill her like vermin or it would be his turn to die. The soldier takes her away. The girl with the baby is waiting in the cave for her friend to arrive and when she doesn't she lays the child down and goes to look for her. She does not find her friend only a bag with food for the child. A fire was needed but the matches wouldn't light. The girl was desperate as the baby wanted feeding. A fire started to burn and a bright light was coming toward her and she couldn't move. A being from another planet reached out taking the baby saying no harm would come to it. The Alien had already seen the soldier and the other girl and transported them into their space ship where they made plans to destroy the army. They wanted only one thing in return; they wanted to clone the baby and them although the baby was more important. Some of the army become fuel...
