You're tired. Get some sleep as the sexy staff helps you get a really good night's sleep. Beware of sexy creatures of the night. 2. Congratulations! You are inventor of the SkulCap, a computer program that brings dreams to real life. You made billions of dollars in the adult entertainment industry as inventor of the computer that revolutionized entertainment. You are getting married to your girlfriend Lucia. And your maid loves you (even though you never knew your maid's name)! But is this the real world? Or are you still testing the SkulCap in reality? Did you ever figure out a way to get out of your machine? Do you really want to leave your machine? 3. Aliens have invaded Earth. All the aliens are beautiful women. They look perfect and human, and are of the plant species. You meet Beatrice; she's of the alien species called Bea. She has charmed you with sexual favors, and you have become her pet. What is the fate of the human...
