Humiliated, he decided to rip her most prized possession from her womb during a psychotic episode. Enraged by his perceived failure, he calls his brother, Marcus, after leaving her mauled and disfigured body at an abandoned animal clinic. Since Fatima is left feeling completely exposed and vulnerable in every way, she decides to suppress the past, and leaves Marcus to deal with him alone. Hurt by her rejection, and determined to never lose another woman and child again, Marcus sets his sights on destroying his drug-crazed older brother. In the process, he discovers hidden family secrets that shed new light on Darius's merciless behavior. Will Marcus destroy his homicidal brother and rescue the woman he loves? Or will Darius kill everyone who gets in his path in order to bring Fatima back home? Find out the conclusion to this twisted urban drama in the final installment of Torn Between Two Brothers.
