

Somewhere County, Kansas

By P Arden Corbin

Createspace, United States, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.We, who now live in the 21st Century, rarely wonder what it was like to live in the 19th Century. Specifically between 1800 and 1912. Now, there was a writer, who lived during that time, but her Historical Novel was never published. A Historical Novel is a contradiction in terms. Then I came along, whereof I find this writers novel in a metal box in the middle of Kansas, and I rewrite this Novel, before it disintegrates into dust, just like it was initially written. With a few comments as I rewrite it. What persons had to do, to get to the promised land of milk and honey, called California and or Oregon? And what they had to do to accomplish this dream. The items they had to give up, because taking these items with them, might make the difference in not getting to these places. Think of the persons who made these promises to themselves, but for some unforeseen reasons, they had to totally throw those reasons away, and settle for something much lesser than expected. And...

Reviews

It in one of the best publication. It is definitely simplistic but excitement in the 50 % in the ebook. I am very happy to let you know that this is basically the greatest publication i have got go through within my own existence and could be he greatest pdf for ever.

-- Dr. Anya McKenzie

This type of pdf is every little thing and helped me searching forward and more. It can be writer in easy words and phrases and never hard to understand. You will not really feel monotony at anytime of your respective time (that's what catalogues are for about should you request me).
