Are you searching for a rich personal study to guide you through books of the Bible? A Study Of Series was created just for you! In just 20 minutes a day, you will systematically immerse yourself in the Word, listen to God speak through His text, and respond to Him in prayer. The A Study Of series is designed for personal study, small groups, Sunday School classes, and family worship. While Philemon is the shortest book written by Paul in the New Testament, it bears a countercultural message that will challenge any reader. Have you ever had difficulty getting along with someone? Have you ever experienced a broken relationship that needed to be restored? Do you need to be reminded what authentic love looks like in a world inundated with shallow images of love and covenant? In this study, God will teach us to discover God's purposes for our relationships and how those interactions glorify Him. This item ships from La Vergne, TN. Paperback.
