Reviews

It is one of the most popular books. I am quite late in starting to read this one, but better than never. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Lulu.com, United Kingdom, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This book contains a new, profound healing meditation that has the potential to heal the wounding and divisions in our hearts, souls and psyches like nothing that has come before. We are all connected with everyone and everything. We each make a difference. We can grow and evolve. But, prior to now, many of us have been held back. No matter what we did, we never really healed. We now can. This is a new time for the world and the human race. The old world is dying. Over time, more and more will come to see this. This meditation is part of our new world. When we do it, at the deeper levels of existence, it touches everything. When we move through the world living love and happiness, it affects everything. As more of us start doing this, we push forward the envelope of love, creativity, wholeness and freedom in the world. We can move into higher levels of functioning. We must. Perhaps this meditation will help you do this. Add it to your life, and let me know. God bless us all.
