AUTHORHOUSE, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.A riveting novel focused toward the supernatural, a mind twisting carousel will keep the reader wondering what will happen next. Identical twins with extraordinary mental powers, one of Good and the other of Evil. Ultimately all close family will endure dreadful deaths, leaving the Good twin to wonder how to confront her Evil sister. Dreams, reflections and mind control are also introduced into the plot as well as love, romance and humor, a definite page turner. Born and raised in Detroit, Michigan I found comfort as a teen to dabble into the supernatural. And with help from a close white witch, I personally experienced thru seance and necromancy the power of the unknown. I found it all intriguing yet dangerous, definitely not for the weak minded. Dreams have a connection with ghost and spirits, also mind altering enhancements will open doors, accessing great endeavors or possibly allowing Evil to proceed into their soul with severe consequences. As being a truck driver by trade, I found plenty of time to wonder and create this novel. Happily married to a very loving and devoted wife for over 26 glorious years, for her continuous support and for my kids kept my drive and ambitions alive.
