Reviews

Very good e book and useful one. it was actually writtern extremely properly and useful. I found out this pdf from my i and dad recommended this publication to discover.

(Heloise Wiegand)

DAYS AND WORKS (PAPERBACK)

Ahsahta Press, 2017. Paperback. Condition: New. Language: English . Brand New Book. Poetry. Literary Nonfiction. Following the 26-year poetic odyssey of her long poem *Drafts*, Rachel Blau DuPlessis invites readers, with *DAYS AND WORKS*, to embark with her on not just one but a plurality of voyages. In 2014, drawing on a 1914 translation of Hesiod's *Works and Days* appearing at the beginning of World War I, DuPlessis began to write, bent on dealing--as did Hesiod--with the insoluble oddity of being in the world and in our time. Both works are built of evocative awe and practical life advice, in which conflicting sensations of the textures of historical time, personal time, cosmological time all fold together, in all their contradictions and vectors of stimuli--desired and painful. DuPlessis's work, with rips of feeling, newspaper clippings, and senses of historical fate, represents the oddity of all these registers involving us in different emotional twists. How can so many opposite things and washes of multiple emotions occupy the same daily space? Are these movements through the highly saturated consciousness of modern life a lexicon? A listing, a relocation? DuPlessis answers in both form and language--with a sense of the generative and constant between in this work expanding the everyday into a mini-encyclopedic poem on an intimate scale. The text offers an evocative political poetics including feminist, eco- poetical and anti-war thinking. It is an intense and generous book.
