Books4pocket, 2013. soft. Book Condition: New. Encuadernación: Rústica Colección: Books4pocket crecimiento personal y salud El maltratador escoge a su víctima con cuidado, realiza sus primeras tentativas al inicio y extiende su control hasta apoderarse de los sentimientos de su víctima, quien acabará por creer que se somete al maltratador por voluntad propia. Sólo una información detallada que ayude a las mujeres a identificar las estrategias específicas usadas por los maltratadores puede mantenerlas a salvo o, ya iniciada la relación, ayudarlas a ponerle fin. La psicóloga Dina McMillan, que ha dedicado años de profesión a tratar tanto a víctimas como a perpetradores de violencia doméstica, ha escrito una obra sin precedentes sobre el tema: por una parte, ofrece sencillas pero inestimables estrategias para desenmascarar al maltratador; pero además hace suya la voz de éste para que conozcamos de primera mano su violenta lógica. Una obra a tener presente al principio de toda relación: nuestra integridad psicológica y física pueden depender de ello.
