Brand New Book ***** Print on Demand *****.Excerpt from The Foundation for the New Psychology: Explanation of the Existing Class Conflict Between Capital and Labor and Method of Eliminating It However much the state of things may have altered during the last twenty-five years (or a century for that matter), the general principles laid down in this Manifesto are, on the whole, as correct today as ever. Here and there some detail might be improved. The practical application of the principles will depend, as the manifesto itself states, everywhere and at all times, on the historical conditions for the time being existing.
