A LITTLE GIRL IN OLD SAN FRANCISCO

It was a long journey for a little girl, so long indeed that the old life had almost faded from her mind, and seemed like something done in another existence. When she was younger still she had once surprised her mother by saying, Mother, where did I live before I came here The pale, care-worn woman had glanced at her in vague surprise and answered rather fretfully, Why, nowhere, child. Oh, but I remember things, said the little girl with a confident air, looking out of eyes that seemed to take an added shade from her present emotions. Nonsense! You cant remember things that never happened. Thats imagining them, and it isnt true. If you told them they would be falsehoods. There, go out and get me a basket of chips. This item ships from La Vergne, TN. Paperback.
