Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Are you ready to heal the world? Reiki is.Dr. Mikao Usui, founder of modern Reiki, predicted a day when Reiki would spread throughout the world, healing both people and planet. It s time for us to bring Dr. Usui s prediction to life. If you have a Reiki Dream, but don t know how to bring that dream to life, this is the book you ve been waiting for.Through inspirational meditations and journaling, you ll divine your spiritual life purpose and gain the skills to be a change agent for the planet - or a healing superhero for your little corner of the world. The decision-making and problem solving techniques in this book are great tools for any individual, volunteer, charity, non-profit organization, or business. You ll be ready to change anything from family drama to injustice, bringing peace and healing. At the advanced level, easy steps will have you developing outreach projects, writing grants, and doing progress evaluation before you know it, without years of studying Psychology, Sociology, Cultural Antropology, and Education Theory. Kay Adkins is a Reiki Master with a BS in Sociology, and an MPH (Master of Public Health) in Behavioral Science and Health Education from UCLA. With over 25 years of experience working in the public and private health fields, she knows a few things about getting things done. While working for the San Bernardino County Department of Public Health s tobacco reduction program, she led the team that took the county from one of the highest youth smoking rates in the California to one of the lowest. She has been awarded the Red Ribbon and Carol A. Mills Awards for her work in Community Drug Prevention. Part...
