Here is the finest publication we have read right up until now. It is actually written in easy words instead of difficult to understand. It has been written in a remarkably easy way in fact it is only right after I finished reading this book in which it basically changed me, modified the way I really believe.

St. Martin's Griffin, 2001. Soft cover. Book Condition: New. 1st Edition. 8vo - over 7¾ - 9¾" tall. Synopsis: A trusted advisor to America's top corporations and recognized as one of today's preeminent marketing experts, Jay Abraham has created a program of proven strategies to help you realize undreamed-of success! Unseen opportunities face each of us every day. Using clear examples from his own experience, Jay explains just how easy it can be to find and/or create new opportunities for wealth-building in any existing business, enterprise, or venture. And just how easy can it be? One entrepreneur took the concept of the ballpoint pen and refined it into a mulimillion-dollar idea: roll-on deodorant. Fred Smith of Federal Express took the methods that banks use for clearing checks to develop an overnight delivery company that has revolutionized the way we do business. Now, what have you seen-- or are going to see-- that you could take and turn to your advantage? This program focuses on helping you spot the hidden assets, overlooked opportunities, and untapped resources around you, and gives you, and gives you fresh eyes with which to see and capitalize on them. You'll also learn how to adapt and apply these tools to your unique circumstances to maximize your income, influence, power, and success.
