

## Solar Energy: Technologies and Project Delivery for Buildings (Hardback)

By Andy Edward Walker

John Wiley Sons Inc, United States, 2013. Hardback. Condition: New. Language: English . Brand New Book. Solar Energy is an authoritative reference on the design of solar energy systems in building projects, with applications, operating principles, and simple tools for the construction, engineering, and design professional. The book simplifies the solar design and engineering process, providing sample documentation and special tools that provide all the information needed for the complete design of a solar energy system for buildings to enable mainstream MEP and design firms, and not just solar energy specialists, to meet the growing demand for solar energy systems in building projects.
