Createspace Independent Publishing Platform, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.In any workplace environment, you re bound to have disagreements that lead to conflict. Almost all of us have had to deal with difficult people in the office. If you re experiencing a lot of workplace conflict or have to deal with people who frustrate you, this book will teach you how to manage those situations. You ll learn what causes conflict and the different types of conflict that you can encounter. You ll also learn how your own conflict style affects what s going on in your environment. You ll also find strategies for improving communication so that you no longer have to dread talking with coworkers and leaders in your institution. It can be difficult to work with people who have many different points of view. There are ways you can prevent conflict from ever getting started in these situations. And when conflict does arise, you ll learn how you can use it to your benefit rather than give in to office drama. The truth is that you need to have relationships with coworkers. Very few businesses actually operate without some sort of teamwork.
