*A top quality ebook as well as the typeface used was interesting to see. It usually fails to charge an excessive amount of. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Createspace, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Side-by-side Issue Stances of Senator Rand Paul (R, KY) and Governor Jeb Bush (R, FL) Jeb s and Rand s issues stances are presented in a side-by-side format, so that you can directly compare the two, as if they debated on each topic. Sometimes we present their original words, in context, and sometimes we present some political analysis explaining the political context. Our Notes explain any background information required to understand the policy analysis, since politicians often speak in jargon. We also sometimes present more than one excerpt on one topic: those are intended for you to compare how the politicians have changed over time (or remained consistent over time), or to compare what the politicians SAY to what they DO. Keep it on your coffee-table for those inevitable arguments during the political season, to see what they REALLY mean!.
