Lisa s happily single and focused on her job in IT, which she loves. When Darcy finally meets a nice guy who doesn t have commitment issues, Lisa s thrilled. Mark Blake works for Manx National Heritage and not only is very nice, but also smart and attractive, with dark hair and stunning blue eyes. With a friend s wedding fast approaching, Darcy is determined to find Lisa the perfect man, or at least a decent date for the wedding. As Lisa endures a series of miserable blind dates, she gets a new assignment at work. She s to install a new computer system for Manx National Heritage, working closely with their special project s director, Mark. Lisa finds that she enjoys Mark s company and they work well together. As they make their way around the island, visiting heritage sites and getting to know each other, she s horrified to find herself falling for her best friend s boyfriend. She and Darcy have never fought over a man before, and she would never do anything to mess up their friendship. Besides, what man would look twice at her, when he s already involved with the stunningly beautiful Darcy? More blind dates, more heritage sites and one interfering ghost turn Lisa s life upside down. Can she find her happily ever after and keep her best friend in the process?.
