

Cannabis: High CBD Hemp, Hemp Essential Oil and Hemp Seed Oil: The Cannabis Medicines of Aromatherapy's Own Medical Marijuana (Black and White Edition) (Paperback)

By Elizabeth Ashley

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The discovery of a previously unknown endocrine system in the 1990s was to change the face of human biology for ever. Science finally had answers as to why tumours grow, hormones attack the body and some people's pain levels are off the scale. The ramifications of manipulating such a system were vast, illnesses like epilepsy, autism and cancer could become a thing of the past. Its revelation shocked physicians across the globe, as this medical marvel adapted and conformed under the direction of one of nature's most ancient medicines. Named after the plant that mimics, locks to, and controls it, the endocannabinoid system heals at a ferocious speed under the influence of hemp. Man has used cannabis as a means of survival since prehistory. Cultivated for seed and textile, it formed the very origins of civilisation. Through time, evidence shows it playing a vital part of how our ancestors communed with their gods. Psychoactive properties of THC, now not only connect the smoker with universal consciousness but treat the effects of nausea and pain from chemotherapy too. In 2009, cannabis...
