

A Knight and His Horse (Paperback)

By Ewart Oakeshott

Dufour Editions, 1999. Paperback. Condition: New. 2nd ed.. Language: English . Brand New Book. Explore a fascinating dimension of medieval life in this engaging account of knights and their horses. Oakeshott reveals how war tactics changed because of the swift terror of fighting on horseback instead of on foot. The author brings us into the world of jousts and spear-play, where a horse's strength, speed, and resiliency were absolutely essential. To engage in such exciting, dangerous activities, a knight's horse had to have nerves of steel and a steadfast heart. Oakeshott dispels myths about the so-called ponderous horse of medieval times. He tells how horses were bred and trained for war, and how they became symbols of social class and sources of pride. Without a horse, a knight was nothing. Originally published in 1962 -- and of interest to young and older readers -- this updated and revised edition of A Knight and His Horse has an extensive and useful glossary. Accurately illustrated by the author, the book captures the wonder and magic of a past time. Also available from Dufour are A Knight and His Weapons, A Knight and His Castle, and A Knight in Battle.

Reviews

It is one of my personal favorite publications. It is actually really fascinating through reading through period of time. It's been printed in an extremely basic way in fact it is just after I finished reading through this ebook by which basically transformed me, change the way in my opinion.

-- David Weber

This book is definitely worth buying. This really is for all who state there had not been a worthy of studying. You will not sense monotony at any moment of the time (that's what catalogs are for concerning should you check with me).
