Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This book is an insightful exposition on God as the origin of man. It goes on further to explain the manner of God s dealings with His creation right from the very first dispensation to the current DISPENSATION OF GRACE. Expect greater manifestation of the Holy Spirit in this era of grace than in any other you have ever known. Jesus said, And when He is come (Holy Spirit), He will reprove the world of sin, and of righteousness and of Judgment (John 16:8). The world being reproved of Righteousness means that the true need of man - Accepting God s Grace (which prepositions him to rule as an ambassador of God s Kingdom on earth), will be made obvious by the revealing and converting power of the Holy Spirit. If you truly long for this experience, then, get ready for it, because the time is now! This expectation is a powerful indicating fact that we need to approach the throne of God s Grace where we can receive mercy as unmerited favour of God s (grace), coming at an appropriate time as this, sufficient enough as help to meet the needs of our time. What an inspiring link between mercy and grace you will discover. You will fully comprehend how God s matchless power responds to every ugly situation that comes your way. Undoubtedly, the Red-Sea situation of life that confront you now is not meant to destroy you, but calls for God s merciful intervention. We cannot, but agree with God s General - Apostle Paul who once lived to proclaim in his mind blowing epistle to the Corinthians, that, Eye has not seen nor ear heard, neither...
