Workman Publishing, United States, 1994. Paperback. Condition: New. Alison Seiffer (illustrator). Language: English . Brand New Book. One of the funniest and most astutely observed works on the sexes since James Thurber, *How to Make Your Man Behave in 21 Days of Less Using the Secrets of Professional Dog Trainers* (over 207,000 copies in print) turns the often-expressed axiom *Men are dogs* into a howling little handbook on men for contemporary women. *Doggie Dos and Don ts*: Gentle strokes and playful petting techniques are positive motivational techniques for rewarding good behavior. And *Flight and Chase Behavior*: If your dog is running away from you, the worst thing to do is chase after him . . . remain calm, act like you re having loads of fun without him, and soon he ll be trotting eagerly back. *Doggie Dogmas*: Dogs like to eat out of your plate. It s pointless to compete for the attention of a dog caught up in a ball game. And a quick primer on personality and temperament, from *The Sporting Dog* (requires daily exercise, gets bored easily, needs lots of attention) to *The Hound* (instinctually driven to chase and catch nearly anything that moves). With its tongue-in-cheek humor and illustrations that evoke an old *Esquire* magazine, *How to Make Your Man Behave in 21 Days of Less* assures that control will be yours forever, as behavioral problems vanish within twenty-one days. It s guaranteed.
