Basically no phrases to clarify. It really is written in straightforward phrases rather than hard to understand. You will not sense monotony at any moment of your own time (that's what catalogues are for concerning if you ask me).

Yet the process of outlining that mission statement has been, up to now, an arduous one that all too few have committed the time, energy, and resources to undertake. In *The Path*, best-selling author Laurie Beth Jones provides inspiring and practical advice to lead readers through every step of both defining and fulfilling a mission. With more than ten years experience in assisting groups and individuals, Jones offers clear, step-by-step guidance that can make writing a mission statement take a matter of hours rather than months or years.
