Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Introduction I, Therlee Gipson was touched and sadden to learn that six million Jews (and five million non-Jews) went to their deaths under the hands of the Nazi exterminators. This means that half of all the Jews in Europe and a third of all the Jewish people on Earth perished in the Holocaust. This historical lesson of man s inhumanity to man must never be forgotten and today, thanks to Holocaust Museums in Cities around the World and movies like Schindler s List, the message is being kept alive. Auschwitz, the most infamous Death Camp, was liberated on January 27, 1945. The stories of that came forth from those who liberated the Camps were at first dismissed as too horrible to be true. But as each succeeding Camp was liberated, it became impossible to deny the reality of it all. To this day the World continues to ask, how could such things happen in modern times? Even more frightening is the realization that the same forces which gave rise to the Holocaust are operating in our World today, like racism. Accounting for the Holocaust, deciphering and explaining the social and moral conditions that led up to it, has prompted all sorts of theories. It is more than an academic question for if the same conditions occur again will we be able to forestall another Holocaust? Also, how could one of the World s most advanced Nations become the seat of such cruelty and depravity? I was touched when Mark Cuban told Dale Hansen where his Roots began. Mark is a good honest man that I admire, no matter where his ROOTS began. He made wise decision in his lifetime and...
