DUCHAMP ET MOI: AND OTHER STORIES (PAPERBACK)

Fly by Night Press, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****A collection of short fiction dealing with subjects from jobs (held and hated as well as sought and fantasized about) to the varieties of affection, figuring among them the complexities of the family and those of relationships with men. Her minute descriptions of New York exteriors and interiors are wonderful, as are her insights into her own and other people s characters. Her first book is a searingly honest navigation through the tainted nooks and characters of New York City, Capitalism, and other locales inhabited by our odd species. Read it. - Barbara Barg, poet; author of The Origin of...
