## HANDBOOK OF PENTECOSTAL CHRISTIANITY

[DOWNLOAD](#)

Northern Illinois University Press. Paperback. Book Condition: new. BRAND NEW, Handbook of Pentecostal Christianity, Adam Stewart, "Handbook of Pentecostal Christianity" is an easy-to-read guide designed for those interested in learning about one of the fastest-growing religious traditions in the world. Adam Stewart's unique collection presents concise, yet comprehensive explanations of some of the most important terms and concepts needed to understand the origins and development, as well as the beliefs and practices, of Pentecostalism worldwide. Twenty-four scholars from five continents provide entries, which are written from disciplinary perspectives as diverse as anthropology, biblical studies, black church studies, history, religious studies, sociology, and theology. The fifty entries shed light on such topics as the Azusa Street Mission and Revival, Baptism of the Holy Spirit, exorcism, Godly Love, prophecy, snake handling, and the Word of Faith movement. Each entry also includes a brief list of references and suggestions for further reading. These brief, engaging explanations of aspects of Pentecostalism can be read on their own or alphabetically from start to finish. In its entirety, Stewart's text provides the reader with an introduction to the history, theology, practices, and contemporary forms of Pentecostalism as it stands at the outset of the twenty-first century. Stewart's handbook is an appealing introduction to Pentecostalism suitable for both students of religion and the curious general reader.
