AUTHORHOUSE, United States, 2009. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.As a pair of Christians, Angelic Communicators, Reiki Teachers, and Authors living in a post-modern world seemingly besieged by problems of all shapes and sizes, Sandye Roberts and Arthur L. Jones, III can fully appreciate the need for enlightenment by many who are currently hoping for the best while preparing for the worse. Their Non-fiction book, DIVINE INTERVENTION: A Guide To Reiki Angels and Archangels, offers its readers 43 specific Members of the Angelic Realm to call upon for assistance in real-life situations. Further, they show the Readers the steps to invoke these Angels in several different ways: including prayer, meditation, affirmation, meditation, and Reiki. Using these methods will help people bring inner peace into their lives and deepen their own personal connection to GOD and their own families - regardless of their Faith and/or Religious Affiliation. Human beings can ascend to much higher levels of consciousness and facilitate Divine Intervention rather than simply hoping for it or waiting for it to occur randomly. Simply put, this book explains ways to achieve both for the greatest good of all who seek to do so.
