For the first time, legendary singer, songwriter, and guitarist Neil Young offers a kaleidoscopic view of his personal life and musical creativity. He tells of his childhood in Ontario, where his father instilled in him a love for the written word; his first brush with mortality when he contracted polio at the age of five; struggling to pay rent during his early days with the Squires; traveling the Canadian prairies in Mort, his 1948 Buick hearse; performing in a remote town as a polar bear prowled beneath the floorboards; leaving Canada on a whim in 1966 to pursue his musical dreams in the pot-filled boulevards and communal canyons of Los Angeles; the brief but influential life of Buffalo Springfield, which formed almost immediately after his arrival in California. He...
