

## The Right to Bear Arms: After the Riots Begin (Paperback)

By Mike Foster M D

Createspace Independent Publishing Platform, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.With gun control and the fiscal cliff in the headlines today this book is very timely and relevant. Who could have seen this coming? Many people, including myself, and that is why I wrote this story, to warn people of what could happen to this country if we stay on the present course. Taken from headlines from Hurricane Katrina and now Sandy, hospitals are particularly affected when the lights go out. Hard decisions have to be made and people die. People stand in the streets and shout at the cameras for the government to come to their rescue and take care of them instead of being prepared and helping themselves. This is a warning to readers, this book will be considered controversial and not politically correct by liberals and socialists. It is as much political treatise as a story of survival. If you do not believe in God, country and family, you might not like this book. It is about survival and includes guns, death, blood and guts. All the characters and events are just imaginary and fictional but the...

### Reviews

*An exceptional ebook along with the typeface employed was intriguing to see. It really is simplistic but surprises within the fifty percent of the ebook. It is extremely difficult to leave it before concluding, once you begin to read the book.*
