Greek myths and the eternity they seem to possess--starred as they are across the very heavens. The atmosphere and the clouds were absorbingly interesting to him. He was fond of prophesying the weather, and no one was more amused than himself to find the prophecies seldom fulfilled. A little knowledge is a dangerous thing, he said to me one morning when he had foretold a fine day. We are often wrong, because as yet we know so little about the laws. That little may be right, but there is so much more to learn before we can apply it rightly. At present I am bound to say our knowledge is so little that it is a most dangerous thing--not to carry an umbrella ! His love for science never for a moment seemed to mar or dispute the poetic and...
