

Stars Light: Seventh Volume: Lights of the Dead (Paperback)

By Abol Danesh

Trafford Publishing, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.From this unexpected jolting of poetry publication cardiac arrest, thus emerged this new volume of stars light into the being. It has been written and published against this poetic backdrop footprint that I left behind inadvertently during the course of my Socio-sociological journey. This effort was also augmented by the additional reasoning advantage that the previous posthumous publications were clearly lacking. No one else than the author himself knows better as to which poem to be eliminated and crossed, which one to be trimmed and edited in major way, and which ones to be embraced straight up as the major literary criticism deserving the spot light. It goes without saying that this volume is the lion share of the piled up work that I have drilled through and ran for it for this collection and it s happily entitled: Lights of the Dead. This is divided in 2 different volumes so be sure to check Volume 8.
