Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. 5 Proven Methods for Improving Public Speaking Skills! Every one of us has a destiny given to us by the Power above us. If you want to succeed in your job, make sure to practice public speaking. It is an esteemed communication skill and yet it is still one of the biggest fears people have. More than 70 of people all over the world become nervous when they need to speak in public, so don't worry if you're one of them. You can beat this fear. Undoubtedly, public presentation is tough. For those who don't have that natural expressiveness, that easy way of reaching people, they may have trouble handling situations when they need to speak in public. But after reading this book, you will begin to find this skill much easier. Once you succeed in becoming a great public speaker, new doors will be open to you. It is a secret to develop a personal speaking style. If you are not a natural born speaker, you can make up for it by punctuating your presentations with passion, unique information, useful material and several jokes. Moreover, this book will share with you the five proven methods that you should use to improve your conversation skills. So let's begin. What you will learn: Change Your Attitude Embrace the Quiet Short and Sweet Smile Ramp up the Energy Maintain Eye Contact Rinse and Repeat.
