New Complete Geography (Classic Reprint) (Hardback)

By Matthew Fontaine Maury

Forgotten Books, 2017. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from New Complete Geography We have decided to teach these features objectively on a plan that has been highly commended. For instance. Instead of devoting two or three pages of text to the origin of mountains. A subject in which the average child takes no interest, we give in the general presentation of the physical geography of the earth four pictures of mountains, and under each picture give a brief description of the origin and character of the formation. The same course has been followed with reference to other physical features. The pupil will read these descriptions because of his interest in the picture, and will remember them for life because of their association with it.
