A FIGHTER S DESIRE - PART ONE: A GLOVES OFF PREQUEL NOVELLA

Createspace, United States, 2014. Paperback. Book Condition: New. Mae I Design (illustrator). 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****Introductory Prequel Novella to the Gloves Off series by NYT and USA TODAY Bestselling author, L.P. Dover. This is just an introduction to the characters. Their full stories will come with their novels.** Two is always better than one. What would you do if you were given the chance to spend the night with not one, but two fighters? Would you do it? Could you open yourself up to the pleasures they offered and do exactly what they said in order to pass on to the next round? It was common knowledge that Ryley and Camden Jameson, well-known MMA fighters and identical twins, were just as aggressive and passionate in the bed as they were in the ring. The only problem was that if you didn't pass their test on the first night, then you didn't proceed to the next round. They loved a good fight, and that's what they got when they met Ashleigh Warren. Ashleigh knew what was going to happen when the twins approached her with a proposition, and needless to say, she knew exactly how to handle them . or so she thought. The rules had changed, and in order to get them both she had to first spend one night with each and last until they were done with her. It was a proposition she couldn't refuse, but she knew it wouldn't be easy to win. However, it was one that she was going to enjoy.
