## KNOWLEDGE TRANSFER THROUGH NARRATIONS - WISSENSTRANSFER MIT HILFE VON NARRATIONEN

GRIN Verlag Nov 2007, 2007. Taschenbuch. Book Condition: Neu. 214x146x2 mm. This item is printed on demand - Print on Demand Neuware - Seminar paper from the year 2004 in the subject Business economics - Business Management, Corporate Governance, grade: none, Free University of Berlin (Institute for Management, Organisation and Leadership), course: Knowledge in Organisations, 34 entries in the bibliography, language: English, abstract: In recent years knowledge has become one of the most central themes in managerial science. Knowledge at all gains a high importance in social and corporate life and is seen as a success factor which is indispensable to pass the competition in aggressive markets. Organisations are seen as systems of knowledge which have to acquire knowledge through processes of learning and self generating<sup>1</sup>. Popular buzzwords and concepts of managerial and organisational science like the knowledge spiral, knowledge intensive firms and the proclamation of a knowledge society underline the meaning of knowledge in the current scientific debate. In this context the intra- and extraorganisational transfer of knowledge is widely discussed. Alongside the formalisation of knowledge transfer e.g. by means of databases and standardised training methods, the more informal knowledge transfer through narrations, myth and anecdotes approaches in the focal point<sup>2</sup>, because conventional knowledge management methods hit upon their frontiers when it is required to cover and confer soft knowledge which is difficult to access and elusive. Sharing knowledge through stories is emerging as a powerful way to exchange and consolidate knowledge. So it is not astonishing that stories and their possible impact in increasing the operating efficiency are worldwide observed among general practitioners as well<sup>3</sup>. The aim of this paper is to give an overview about the possibilities and restrictions of knowledge transfer through narrations. Starting with a review, some theoretical common definitions are presented by a...
