

Clementine, Friend of the Week (Hardback)

Filesize: 6.25 MB

Reviews

It is great and fantastic. Better than ever, though I am quite late in starting to read this one. It has been written in an extremely simple way and is particularly only right after I finished reading this ebook where it actually changed me, affected the way I really believe.

CLEMENTINE, FRIEND OF THE WEEK (HARDBACK)

Turtleback Books, United States, 2011. Hardback. Book Condition: New. Marla Frazee (illustrator). Turtleback School Library ed.. 193 x 135 mm. Language: English . Brand New Book. It s Clementine s turn to be Friend of the Week ! She gets to be line leader, collect the lunch money, and feed the fish. Even better, the other kids will make her a booklet, full of the things they value about having her in the class. After reading her friend Margaret s booklet, Clementine begins to get nervous and a little jealous --she has to get a great booklet now. Fortunately, she has a lot of astounding ideas for getting the kids to write great stuff about her. Unfortunately, just as she s working on the best one, something terrible happens to her beloved kitten Moisturizer. Worst of all, exactly when she needs a friend the most, Margaret lets her down. Or does she.? Praise for Clementine * Humorous scenarios tumble together, blending picturesque dialogue with a fresh perspective as only the unique Clementine can offer. Frazee s engaging pen-and-ink drawings capture the energy and fresh-faced expressions of the irrepressible heroine. A delightful addition to any beginning chapter-book collection. -- School Library Journal, starred review Reminiscent of both Ramona and Junie B. Jones, Clementine is an ingenuous third-grader with a talent for trouble and a good heart. Frazee s expressive ink drawings capture every nuance of the characters emotions, from bemusement to anger to dejection. Sometimes touching and frequently amusing, this engaging chapter book is well suited to reading alone or reading aloud to a roomful of children. - Booklist For The Talented Clementine: Recommenders hoping to turn indifferent readers into voracious ones often reach first for solid, funny chapter-book series; this follow-up to Clementine proves that Pennypacker s deserves a place...
