ILR Press. Paperback. Book Condition: New. Paperback. 232 pages. Dimensions: 8.3in. x 5.3in. x 0.7in. Aaron and Stella Alterra had been married for more than sixty years when Aaron began to notice puzzling lapses in his wifes memory. Innocuous at first, they became more severe and more alarming. After a series of appointments and tests, the Alterras were informed that Stella was one of the more than 4. 5 million Americans with Alzheimers disease. Combining medical research on the disease and often-painful anecdotes of memory loss, deteriorating motor functions, personality shifts, support-group and daycare experiences, and drug trials, Alterra chronicles his transformation from husband to caregiver after his wifes diagnosis. More than a chronology of one familys experience of Alzheimers disease, The Caregiver is an intelligent, beautifully reflective testimony to how family members turned caregivers become the ultimate advocates for their loved ones in the face of a disease with no cure. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
