Nature, Economy and Society

By Nilanjan Ghosh

Springer-Verlag GmbH Aug 2015, 2015. Buch. Book Condition: Neu. 23.5x15.5x cm. Neuware - This book presents an enquiry into the interface between nature, economy and society, which is still in its early stages, notwithstanding the commendable progress and advances made in the field of environmental and natural resource economics within the ever-expanding boundaries of economics as a discipline. It further delineates the evolution of an inter-disciplinary framework for analyzing the status, the future goals, mechanisms and policy instruments that can help move towards a more ecologically sustainable, economically beneficial and socially just future. A prerequisite for preparing a comprehensive and coherent framework involves unfolding the multiple layers of interconnectedness between the three systems nature, economy and society, each of which has its own internal consistencies as well as externalities. Against this backdrop, the book presents scholarly contributions that focus on four broadly defined building blocks, namely: i) accounting for ecosystems services for life and human well-being; ii) impacts of economic growth on ecosystems; iii) social norms, equity, and governance; and iv) alternative approaches to green and socio-economic systems. The analyses, presented by some of the most eminent national and international scholars, address the major environmental challenges that nations around the...
