Reviews

Thorough guideline! Its this type of good read. It is really simplistic but shocks from the 50 percent from the publication. It is extremely difficult to leave it before concluding, once you begin to read the book.
(Sallie Wiegand)

WEEDFLOWER

Simon & Schuster. Paperback. Book Condition: new. BRAND NEW, Weedflower, Cynthia Kadohata, "This is what it felt like to be lonely: 1. Like everyone was looking at you. Sumiko felt this once in a while. 2. Like nobody was looking at you. Sumiko felt this a lot. 3. Like you didn't care about anything at all. She felt this maybe once a week. 4. Like you were just about to cry over every little thing. She felt this about once daily." Raised on a flower farm in California, twelve-year-old Sumiko is often isolated at school, where she is the only Japanese-American girl in her class. But at least she has her flowers and her family to go home to. Until Pearl Harbor is bombed by the Japanese. Then, other Americans start to suspect that all Japanese people are spies for the emperor, even if, like Sumiko, they were born in the United States. Soon Sumiko's family is shipped to an internment camp on an Indian reservation, where the Japanese are as unwanted as they'd been at home. But then Sumiko meets a young Mohave boy who might just become her first real friend. if he can ever stop being angry about the fact that the camp is on his tribe's land. WEEDFLOWER is the story of the rewards and challenges of a friendship across the racial divide, told with searing insight through the eyes of a young girl who yearns to belong.
