Teacher Created Materials, Inc, United States, 2017. Paperback. Condition: New. Language: Spanish . Brand New Book. Animals have senses just like we do, but their senses work much differently than ours. Birds eyes don t move at all and some insects use their feet to smell things! Find out about the unique ways in which animals use their senses in this fact-filled book! High-interest text paired with colorful images and graphics fill the pages of this book to engage students from cover to cover. Encourage students to apply what they ve learned in the text by completing the Think Like a Scientist activity, that supports STEM instruction, included at the end of the book. A helpful glossary, table of contents, and index are also included for additional support.
