Springer-Verlag Gmbh Jan 2018, 2018. Buch. Condition: Neu. Neuware - This book is open access under a CC BY 4.0 license. This timely book addresses the conflict between globalism and nationalism. It provides a liberal communitarian response to the rise of populism occurring in many democracies. The book highlights the role of communities next to that of the state and the market. It spells out the policy implications of liberal communitarianism for privacy, freedom of the press, and much else. Arguing that we are trapped into a...
